I. GENERAL POLICIES

A. THE ORGANIZATION IN WHICH YOU WORK

Working for **Boise County** may be somewhat different from any employer for which you may have worked in the past. **Boise County** is a political subdivision of the State of Idaho, though it is not a part of state government. The Board of County Commissioners serves as the governing body for **Boise County**, carrying out local legislative duties and fulfilling other obligations as provided by law. The Board of County Commissioners is the general policymaker for **Boise County**, and as such, has primary authority to establish terms and conditions of employment with **Boise County**. The Board of County Commissioners also appoints personnel to help carry out its administrative responsibilities.

As with all elected public officials, the Board of County Commissioners is ultimately responsible to the voters of **Boise County**. The terms set forth herein reflect County policy at the time of its printing but they are subject to change at any time, without prior notice, and at the sole discretion of the Board of County Commissioners.

Only the Board of County Commissioners has authority to establish general policy for **Boise County** employees. Each employee should recognize that although he/she may serve as an employee in the office of an elected or appointed official, he/she remains an employee of **Boise County**, not of the official who supervises his/her work. The terms and conditions set forth in this policy, and in the resolutions and policy statements which support it, cannot be superseded by any other official's pledge without the express written agreement of the Board of County Commissioners. That is particularly true for terms or conditions which would establish a financial obligation for **Boise County**, now or in the future. You may work for a department with an operational policy that provides additional direction to employees on expectations and procedures unique to that department.

B. EQUAL EMPLOYMENT OPPORTUNITY STATEMENT

All selection of **Boise County** employees and all employment decisions, including classification, transfer, discipline and discharge, will be made without regard to race, religion, sex, sexual orientation, age, national origin or non-job-related disability. No job or class of jobs will be closed to any individual except where a mental or physical attribute, sex, or age is a bona fide occupational qualification. All objections to application of Boise County's policy in this regard shall be brought to the attention of the office of the elected official or department head, or in the case of objection to actions undertaken by that person, to legal counsel for the County.

C. VETERAN'S PREFERENCE

Boise County will grant preference to employment of veterans of the U.S. Armed Services in accordance with provisions of Idaho Code § 65-502 or its successor. In the

event of equal qualifications for an available position, a veteran or family member, who qualifies for preference pursuant to Idaho Code § 65-502 or its successor, will be employed.

D. CONFLICT OF INTEREST

No person shall be employed by **Boise County** when said employment would result in a violation of provisions found in Idaho Code § 59-701 *et seq.*, §18-1359 or their successors. Any such appointment may be void. An employee whose relative is subsequently elected may be eligible to retain his/her position as allowed in Idaho Code §18-1359(5).

E. PREFERENCE FOR HIRING FROM WITHIN

Qualified individuals, who are already employees of **Boise County**, shall be given preference over outside applicants to fill vacancies in the work force. Employees may be selected, for transfer to positions, without following the selection procedures normally required for hiring of new employees.

F. INTERPRETATION: SHALL VERSUS MAY

For purposes of this Policy: The term "shall" means must or it is required. The term "may" means that there is discretion given to the appropriate party whether to apply such provision in the given situation.

G. PERSONNEL POLICY SUBJECT TO CHANGE WITHOUT PRIOR NOTICE

The rules contained in this Personnel Policy are subject to change, without prior notice, at any time at the sole discretion of the Board of County Commissioners.

II. EMPLOYMENT START-UP

A. EMPLOYMENT FORMS TO BE COMPLETED

The following pre-employment forms and policy acknowledgments must be completed before the employee may begin work for **Boise County**:

1. Full time employees: See Appendix C, attached.
2. Part time employees: See Appendix D, attached.

B. PAYROLL REPORTING SYSTEMS

Reports of hours worked and time on and off the job must be completed in a timely manner in accordance with procedures established by the payroll officer. Each report of employee time should be signed by both the supervisor and the employee and should contain a certification that it is a true and correct record of the employee's time and benefit usage for the time period covered. Any employee with concerns about his/her

compensation, rate of pay, payroll status, deductions, etc. shall communicate such concerns to the payroll officer as soon as any such concern becomes evident. If the response from the payroll officer is unsatisfactory, the employee should address the issue to his/her immediate supervisor in order to resolve stated concerns. A written record of such issues should be maintained in the employee's personnel file.

C. ***DISTRIBUTION OF POLICY***

At the time of employment, each employee should receive a copy of this personnel policy. It is the responsibility of the employee to familiarize him/herself with the contents of the personnel policy and to acknowledge its receipt in writing. Periodic updates or changes should be distributed and acknowledged.

D. ***PROBATIONARY PERIOD***

New employees to **Boise County** or current employees promoted or transferred to new job responsibilities are subject to a six-month introductory period where employees must demonstrate their abilities to handle the responsibilities of their position. This does not apply to at-will positions covered under Section IV(A)(1)(b) of this Policy. **Boise County** uses this six-month period to determine if the employee meets the expectations for the position for which the employee was hired. During this six (6) month introductory period, including any extension of the introductory period, either the employee or **Boise County** may end the employment relationship in their respective discretion for any lawful reason, with or without advance notice. During the introductory period, employment is at-will.

An employee's supervisor may extend the introductory period for up to an additional six (6) months if he/she deems it necessary to work further with an employee who is not meeting the expectations or requirements for his/her position. If a promoted or transferred employee is terminated from a newly assumed position, he/she may be returned to his/her previous position or transferred to another position for which he/she is fully qualified, but only if a qualifying vacancy exists with **Boise County**. Any decision to retain a previously promoted or transferred employee, who does not succeed in a new position, shall be in the sole discretion of **Boise County**.

Any decision to terminate an employee or to terminate or demote a transferred or promoted employee, during the introductory period, shall be subject to the Unlawful Discrimination and Name-Clearing Hearing Policy, subject to its terms and conditions, addressed elsewhere in this policy. In the course of such actions, the contemplated personnel matter shall be communicated to the Prosecuting Attorney or retained civil counsel for advice prior to final action. Any employee so aggrieved may address such concerns by seeking a hearing pursuant to the limitations contained within such policy provisions.

E. **EMPLOYEE PERSONNEL FILES**

1. Personnel Records

The official employee records for **Boise County** will be kept in the office of the Boise County Clerk. Within these personnel files will be kept all records of employee performance evaluations, employee status, and other relevant materials related to the employee's service with **Boise County**. The employee's supervisor, employee's elected official or the employee, may contribute materials to the personnel files deemed relevant to the employee's performance and tenure. Each employee shall have the right to review all materials placed in his/her personnel file at any reasonable time. Copies of materials in an employee's personnel file are available to that employee without charge, however the employee will be required to fill out a records request form and give the Clerk's Office up to 10 days to supply the requested documents. Personnel files shall not be removed from the premises except as necessary for County purposes.

2. Access to Personnel Files

It is the policy of **Boise County** to allow only limited access to an employee's personnel file. Those authorized to evaluate materials in a personnel file include the employee's supervisors, the Board of County Commissioners when acting as a Board in the course of its official business, attorneys for the County, elected officials for the employee's department and the individual employee. Based upon the general confidentiality of personnel files, access of others to such files shall be allowed only with authorization of the supervising official after consultation with the County attorney. Information regarding personnel matters will only be provided to outside parties with a release from the employee or when deemed necessary by legal counsel for the County, pursuant to court order or pursuant to a proper subpoena. The County reserves the right to disclose the contents of personnel files to outside state or Federal agencies, to its insurance carrier or its agents for risk management purposes, or when necessary to defend itself against allegations of unlawful conduct.

3. Management of Information in Personnel Files

Each employee shall be provided an opportunity to contest the contents of his/her personnel file at any time during employment. This is to be done by filing a written objection and explanation, which will be included in the file, along with the objectionable material. In the sole judgment of the supervising official, after consultation with legal counsel for the County, any offending material may be removed upon receipt of documentation by the employee that it is false or unfairly misleading. In general, there should be a presumption that materials are to remain in personnel files accompanied by the employee's written objection and explanation to provide a complete employment history.

III. RULES OF EMPLOYEE CONDUCT

Violation of any of the rules set forth below shall be grounds for disciplinary action including possible dismissal from employment. However, this list is not all inclusive and other acts of misconduct not specifically set out below may be grounds for disciplinary action as well. **Among these rules, the most important is the rule addressing attitude and cooperative behavior.**

A. **PERSONAL PERFORMANCE AND BEHAVIOR**

Each employee of **Boise County** is expected to conduct him or herself in a manner that is helpful and productive and which does not reflect adversely upon **Boise County**. Each employee must recognize that public employees are subject to additional public scrutiny in their public and personal lives because the public's business requires the utmost integrity and care. In order to accomplish the goals of **Boise County** as a public institution, each employee is expected to scrupulously avoid personal behaviors which would bring unfavorable public impressions upon **Boise County** and its officials. In order to accomplish this, each employee must comply with the following expectations:

1. **WORK COOPERATIVELY AND CONSTRUCTIVELY WITH FELLOW WORKERS AND MEMBERS OF THE PUBLIC TO PROVIDE PUBLIC SERVICE OF THE HIGHEST QUALITY AND QUANTITY.** This is the first priority for all employees.
2. Shall maintain a positive attitude while carrying out the duties of employment.
3. Shall be prompt and regular in attendance at work or other required employer functions.
4. Shall comply with dress standards established in the department for which the employee works. Dress standards shall be set by the managing official, but in the absence of any departmental dress standards, clothing shall be appropriate for the functions performed.
5. Shall dedicate primary efforts to Boise County employment if employed with a secondary employer. Each employee must notify the elected official/department head of any other employment, self-employment or other business interests. Secondary employment should not conflict with duties performed for the County in any meaningful way. Individual department rules may spell out permissible examples of "moonlighting" wherein employees may hold additional positions.
6. Shall avoid conflicts of interests in appointments and working relationships with other employees, contractors and potential contractors in Boise County and related agencies. A conflict of interest occurs when an action or decision by a Board member creates a pecuniary benefit to that Board member or to a person from the member's household or to a business with which the Board member or a member

of the person's household is associated. No employee shall engage in conduct which violates the laws of the State of Idaho, including but not limited to; I.C. §18-1356 (accepting gifts that exceed a value of \$50), I.C. §59-701 et seq. (Ethics in Government Act), I.C. §59-201 (Prohibitions against Contracts) and I.C. §18-1359 (Using Public Position for Personal Gain).

7. Shall not accept gifts or gratuities in any personal or professional capacity which could create the impression that the giver was seeking favor from the employee or official in violation of I.C. § 18-1356 and I.C. § 18-1357.
8. Shall not serve on any board or commission which regulates or otherwise affects the official duties or personal interests of said official or employee in a way that could create disadvantage for other members of the public or advantage for the employee.
9. Shall not release any public record without the express authority of the public official responsible for custody of the record or without an order from a court or public agency of competent jurisdiction.
10. Shall not release any personnel record without the concurrence of the public official responsible for custody of the record and after consulting with legal counsel for the County or without an order from a court or public agency of competent jurisdiction.
11. Shall not engage in conduct away from work which, although not criminal, may reflect adversely upon Boise County or its officials or otherwise impair the employee's ability to perform.
12. Shall not use any substances, lawful or unlawful, which will impair the employee's ability to function as a valued and competent part of the Boise County work force. Should the employee be prescribed a lawful substance that may impair the employee's ability to safely do his or her job, the employee is required to provide a physician's note explaining the possible effects of the medication upon the employee's ability to do his or her job and the length of the time that the employee will be required to take the medication. The employee may be required to take sick leave while taking the medication.
13. Shall not engage in workplace or public conduct otherwise detrimental to the accomplishment of the goals established by the Board of County Commissioners or the elected official or the department for whom he/she works.

B. *WORKPLACE CONDUCT*

Each employee will be expected to conduct him/herself in the workplace in accordance with the following rules. **THESE RULES ARE NOT ALL-INCLUSIVE OF CONDUCT EXPECTED OF BOISE COUNTY EMPLOYEES.** Each employee of **Boise County** shall:

1. Give his/her best efforts to accomplish the work of **Boise County** for public benefit in accordance with policies and procedures adopted by the Board of County Commissioners.
2. Maintain an attitude of cooperation and constructive participation with other Boise County Employees when carrying out the employee duties.
3. Be subject to the administrative authority of the officials who supervise the department where the employee works even though the officials may not have been involved in the hiring of the employee.
4. Adhere to any code of ethics in his/her profession and avoid conflicts of interest or using his/her public position for personal gain.
5. Follow all rules for care and use of public property to assure that the public investment in such property is protected and that the safety of the public and other workers is maintained. Boise County resources, including time, material, equipment and information, are provided for County business use. Department heads and elected officials are responsible for the resources assigned to their departments/offices and are empowered to resolve issues concerning their proper and safe use.
6. Abide by all departmental rules whether they be written or issued orally by the supervisor. No employee shall be required to follow the directive of a supervisor which violates laws of any local jurisdiction, the state or nation.
7. Abide by pertinent state and federal statutes and **Boise County** rules concerning the dissemination of information to the public from public records or about public matters. The decision to release information from the public records or to disclose writings or other information in the hands of a public official belongs with the responsible official who has official custody of that record. Each employee shall maintain the confidential nature of records which are not open to public scrutiny in accordance with the direction of the responsible official. All employees shall consult with the Prosecuting Attorney or other County legal counsel before making statements to outside third parties regarding previous or current County employees.
8. Adhere to defined work schedules and follow procedures for requesting exceptions from normal work schedules. Each employee shall follow the rules regarding the reporting of work hours and obtaining the supervisor's approval for time-keeping records. Failure to follow such rules may be grounds for delayed payment of wages, salaries or reimbursements or for imposition of appropriate disciplinary penalties.
9. Follow rules regarding breaks and lunch periods, including provisions granting supervisors authority to adjust them. Timing of breaks or lunch periods may be changed to accommodate the completion of necessary work.

10. Report all accidents that occur or are observed on the job. Each employee shall cooperate in the reporting and reconstruction of any job-related accident in order that workplace hazards can be eliminated and that proper consideration can be accorded to injured workers and the public. (See Accident Reporting Policy)
11. Report any accidents observed to have happened on county property or involving county property. Each employee shall provide as much information as he/she can from the observations made in the course of activities associated with one's work. Report such information to the employee's immediate supervisor as soon as physically possible and made reasonable efforts to assist those in need.
12. Follow all rules regarding safety in the workplace whether established formally by the department or by outside agencies. Employees are encouraged to suggest ways to make the workplace or work procedures safer.
13. Maintain a current driver's license when necessary in the conduct of work for **Boise County**. Each employee must report any state-imposed driving restrictions to his/her immediate supervisor. Each employee is also obligated to notify his/her supervisor in the event that his/her driving abilities are impaired.
14. Perform such obligations as are necessary to carry out the work of **Boise County** in an efficient and effective manner at minimal costs and with limited risk to the public and fellow workers.

C. ***PROHIBITED WORKPLACE CONDUCT***

Employees of **Boise County** shall not:

1. Be present in the workplace under the influence of illegal drugs, alcohol, illegal substances or other legal substances.
2. Be under the influence of drugs, alcohol, illegal substances or other legal substances while carrying out duties as a Boise County employee which would impair the ability of the employee to perform his/her work competently or which would threaten the safety or well-being of others or compromise public property.
3. Engage in abusive conduct to fellow employees or to the public, or use abusive language in the presence of fellow employees or the public. Abusive language shall include loud or harassing speech.
4. Sleep or be absent from the employee's work station when on duty. Employees shall be attentive to their work at all times.

5. Engage in malicious gossip and/or spread rumors that may create discord and lack of harmony, or willfully interfere with another employee's work output or encourage others to do the same.
6. Use work time for personal business, including the selling of goods or services to the general public.
7. Use work time or public premises to promote religious beliefs to members of the public or fellow employees.
8. Engage in political activities while on duty in public service. This rule shall not apply to elected officials.
9. Provide false or misleading information on employment applications, job performance reports or any other related personnel documents or papers.
10. Destroy, alter, falsify or steal the whole or any part of a police report or any record kept as part of the official governmental records of the County (I.C. §§ 18-3201 and 18-3202).
11. Discriminate in the treatment of co-workers or members of the public on the basis of race, religion, gender, sexual orientation, age, disability or national origin.
12. Smoke except in designated outdoor smoking areas if so provided.
13. Abuse employee benefit offerings by taking unjustified sick leave, unearned vacation or otherwise participate in a scheme or deception designed to create incorrect personnel records or to claim benefits which are not deserved in accordance with **Boise County** policy.
14. Violate rules concerning absence from the workplace without proper authorization. Employees must obtain prior permission as required by the **Boise County** policy for use of vacation, sick, bereavement or other types of leave granted by this personnel policy.
15. Engage in prolonged visits with co-workers, children, friends, or family members that interfere with the course of work in the office or department in which the employee serves.
16. Use phones or computers in the workplace in a manner that violates policy or which disrupts workplace activities.
17. Engage in conduct that violates the laws of the United States, State of Idaho, or Boise County of any kind while on duty or off. Boise County employees are expected to behave in a lawful and socially acceptable manner and failure to do so is a

violation of the trust placed in such employees by the public and the appointing official.

18. Violate any lawful rule established by the appointing official to maintain order and productivity in the workplace.
19. Unlawfully harass a fellow worker or member of the public, as outlined in the County's Unlawful Harassment Policy.

D. ANTI-NEPOTISM/RELATIONSHIP POLICY

1. No employee of **Boise County** shall hire, supervise or otherwise exercise discretion concerning a paid employee who is a spouse.
2. No employee of **Boise County** shall supervise or otherwise exercise discretion concerning a paid employee who is related to the supervisor within the first degree of affinity or consanguinity.
3. No employee of **Boise County** shall hire a paid employee who is related to the supervisor within the second degree of affinity or consanguinity pursuant to state law (I.C. 18-1359 or its successor).
4. Any supervisor involved in a romantic relationship with a subordinate must immediately notify his/her superior of the existence of any such relationship. Efforts should be made to eliminate supervisory responsibility for one who is romantically involved with a subordinate.

IV. EMPLOYEE CLASSIFICATION, COMPENSATION, AND BENEFITS

For varied reasons, employee status must be organized by class or category in order to administer employee policies, benefits or otherwise address employment issues. It is generally the responsibility of the employee to assure that he/she is properly categorized for purposes of each issue or benefit type. The County will endeavor to assist with such matters, but the employee shall be ultimately responsible to assure that his/her service is properly addressed.

The procedures for hiring, promotion and transfer of all regular employees shall be subject to the provisions of this policy. Personnel actions, concerning temporary or seasonal employees, are not subject to the procedures set forth herein to address cause as a basis for employee dismissal or disciplinary action, unless the policy provisions expressly provide therefore.

With the exception of elected officials, any employee, regardless of designation, may utilize the Unlawful Discrimination Hearing procedure should he/she believe that an employment action taken against him/her was the result of unlawful discrimination. For regular employees, allegations of unlawful discrimination or the right to a name-clearing hearing may **only** be addressed in the disciplinary hearing procedure as provided for in this Policy.

A. CLASSIFYING EMPLOYEES FOR POLICY PURPOSES

1. Employment Status

a. For-Cause Employment

Regular Employees: Except as otherwise provided in this Policy, regular employees of **Boise County** shall not be suspended without pay, demoted with an accompanying change in pay or discharged from their positions for disciplinary purposes except for cause related to performance of their job duties or other violations of this policy. Cause shall be determined by the employee's supervisor/elected official and shall be communicated in writing to the employee when the employee's status is proposed to be changed.

- i.) Only suspension without pay, demotion with change of pay or discharge for cause shall be subject to the disciplinary hearing procedure set forth in this personnel policy. The hearing procedure is to be administered in a directory manner, allowing flexibility in administration that does not adversely affect the employee's fundamental opportunity to be heard. It is the responsibility of an employee to show, by clear and convincing evidence, that the factual basis for the personnel action is incorrect or that the reasons for the personnel action are contrary to existing law. Should the employee establish such basis, the employee's back wages and benefits shall be restored as if the specified action had not occurred.
- ii.) Changes in employment status that are the result of budgetary needs, reductions in force, reorganization of work duties through transfer or reassignment, or general changes in the terms or conditions of employment or of benefit offerings, shall not be subject to the hearing procedure set forth herein. **Boise County** retains full authority, without prior notice, to modify the general terms and conditions of employment. Additional information may be obtained in the personnel office or by communication with an employee's supervisor or administrator.

b. Exceptions to For-Cause Employment

- i.) **Deputy Prosecuting Attorneys & Other Legal Counsel.** Because the Idaho Rules of Professional Conduct, as established by the Idaho State Bar, govern the relationship between an attorney and his/her client, Deputy Prosecutors (including Senior Deputy Prosecutors) and other legal counsel for the County appointed pursuant to I.C. § 31-2601 et seq. are considered to be at-will employees and they serve at the discretion of the Prosecuting Attorney or the Board of County Commissioners (if they serve at the Board's

discretion). They can be appointed or removed at the discretion of the elected official for whom they serve and the disciplinary hearing process as set out in this policy does not apply. However, any deputy prosecutor or other legal counsel for the County who believes that he/she has been removed from his/her position or demoted with attendant change in pay as a result of unlawful discrimination or as a result of an allegation entitling him/her to a name-clearing hearing, may utilize the hearing procedures set out in Section V of this Policy.

- ii) **Senior Deputies (sometimes referred to as "chief deputies")**. Senior Deputies are appointed pursuant to Idaho Code § 31-2006 serve in that role at the discretion of the elected official for which they serve. The designation can be established or removed at the discretion of that elected official and the hearing process set out in this policy does not apply to the removal process. In all other respects of this policy, they are considered to be regular employees and shall receive all employee benefits provided by **Boise County** as such benefits now exist or may be subsequently changed. The removal of a Senior Deputy, either due to election or resignation of the elected official to whom they served, shall not be considered a demotion. If such employee continues to be employed with Boise County, in a non-Senior Deputy capacity, the employee will no longer be entitled to the salary set forth for the Senior Deputy. However, any Senior Deputy who believes that he/she has been removed from his/her position or demoted with attendant change in pay as a result of unlawful discrimination or as a result of an allegation entitling him/her to a name-clearing hearing, may utilize the hearing procedures set out in Section V of this Policy.
- iii) **Temporary or Seasonal Employees**. Employees who work on an irregular or temporary basis are considered to be temporary or seasonal employees. Temporary or seasonal employees are not considered Regular Employees. As such, they are hired as "at-will" employees and can be appointed or removed at the pleasure of the elected official, department head or Board of County Commissioners. The disciplinary hearing process, as set out in this policy, does not apply to temporary or seasonal employees.
- iv) **Veteran's Rights Following Reinstatement**. Any veteran, who has been restored to his/her position in accordance with Idaho Code § 65-512, shall not be discharged from such position without cause for a period of one (1) year after such restoration. During this one-year period, a returning veteran shall be entitled to a hearing prior to termination. Such returning veteran shall also be considered as having been on leave of absence during his/her period of military duty. He/she shall be restored to his/her position without loss of seniority, status or pay.

- v) **PERSI Retirees.** Employees hired and concurrently receiving PERSI retirement ("PERSI Retiree"), are hired as "at will" employees and can be **appointed or removed at the pleasure** of the elected official, department head, or Board of County Commissioners. Written notice of termination and written notice for re-hire for PERSI Retirees must be documented and acknowledged by the signature of the PERSI Retiree. The PERSI Retiree is solely responsible for any repayment demanded by the Retirement Board (PERSI) due to ineligibility.

2. Employee Classification for Benefit Purposes

The classification of the position you hold with **Boise County** may affect the status of obligations or benefits associated with your employment. The primary classes of employees and their respective status is outlined as follows:

a. **Elected Officials**

Elected officials are not considered regular employees. Elected officials are not eligible for unemployment benefits or vacation and sick leave benefits. In the event that an elected official becomes a regular employee, years of service as an elected official do not count towards the term of service calculation for benefit accruals as a regular employee.

b. **Department Heads**

Department heads are considered regular employees and are eligible for sick leave and vacation benefits. Department heads do not receive compensation time or overtime.

c. **Full-Time Regular Employees**

Employees whose employment is sustained and continuing, and whose typical work week consists of at least thirty (30) hours, are considered full-time regular employees. Full-time regular employees shall receive all employee benefits provided by **Boise County** as such benefits now exist or may be subsequently changed by action of the Board of County Commissioners.

d. **Permanent Part-Time Employees Working Not Less Than Twenty (20) but less than Thirty (30) Hours**

Employees whose employment is sustained and continuing but whose typical work week consists of twenty (20) to less than thirty (30) hours, on a regular basis, are considered Permanent Part-Time Regular employees. Permanent Part-Time Regular employees shall receive reduced employee benefits in accordance with specific policies adopted by the Board of County Commissioners. See Appendix E,

attached. The number of hours scheduled may also affect the employee's obligation to participate in certain mandatory state benefit programs. Certain benefits may not be available because qualifying thresholds have not been reached.

e. **Permanent Part-Time Employees Working Less Than Twenty (20) Hours**

Employees whose employment is sustained and continuing but whose typical work week consists of less than twenty (20) hours on a regular basis are considered Permanent Part-Time regular employees. Permanent Part-Time regular employees shall receive reduced employee benefits in accordance with specific policies adopted by the Board of County Commissioners. See Appendix E, attached. The number of hours scheduled may also affect the employee's obligation to participate in certain mandatory state benefit programs. Certain benefits may not be available because qualifying thresholds have not been reached.

f. **Temporary or Seasonal Employees**

Employees who work on an irregular or temporary basis (less than six months per year) are classified as temporary or seasonal employees. Temporary or seasonal employees will receive no benefits provided to regular employees, except those required by law or those approved by official action of the Board of County Commissioners. The disciplinary hearing process set out in this policy does not apply to temporary or seasonal employees and they are considered to be at-will employees.

Any temporary or seasonal employee who believes that he/she has been terminated from his/her position or demoted with an attendant change in pay as a result of unlawful discrimination or as a result of an allegation entitling him/her to a name-clearing hearing, may utilize the hearing procedures set out in Section V of this Policy.

g. **Independent Contractors**

Independent contractors, who provide services to the County on a contractual basis, are not considered employees of the County. As such, this Policy does not apply to independent contractors.

B. *COMPENSATION POLICIES*

1. Establishment of Employee Compensation

Boise County compensates employees in accord with decisions by the Board of County Commissioners as budgets are set and tax levies are authorized. Pay for any given position is subject to the annual budgetary process and as such may be subject

to increase, reduction or *status quo* maintenance for any time period. The supervising elected official or administrator may make suggestions about salary compensation and other pay system concerns but the final decision regarding compensation levels rests with the Board of County Commissioners. The Board of County Commissioners reserves the right to make budget adjustments and consequently pay adjustments during the course of the budget year in order to manage cash flow or to deal with other circumstances which justify or require change in County expenditures.

2. Compliance with State and Federal Pay Acts

Boise County shall comply with all State and Federal Pay Acts respecting the compensation of employees for services performed in the public service.

3. Additional Compensation Policies

Elected officials shall be paid a set salary as established by the Board in the annual budget. They shall have no right to overtime pay, compensatory time off, sick leave or vacation leave.

Employees determined to be exempt from the hourly requirements of the Fair Labor Standards Act shall be paid on a salary basis as established by the Board of County Commissioners.

Senior deputies in the offices of the Assessor, Clerk, Coroner, Prosecuting Attorney, Sheriff and Treasurer shall, in addition to the regular wage for their position, be paid additional periodic compensation. The senior deputy designation and the additional compensation that accompanies it shall be at the sole discretion of the designating elected official. Removal from senior deputy status shall not be subject to the hearing procedures established by this policy.

4. Right to Change Compensation and Benefits

Boise County reserves the right to change general compensation for any reason deemed appropriate by the Board of County Commissioners. Compensation may also be adjusted based upon job performance and the availability of funds to maintain a solvent County budget. Hours worked may be reduced or employees may be laid off by the Board of County Commissioners or by elected officials, within their departments, as necessary to meet budgetary constraints or work load changes.

5. Overtime Compensation - Compliance with Fair Labor Standards Act

In addition to the employee classifications set forth elsewhere in this Policy, all employees are classified as Exempt (salaried) or Nonexempt (hourly) for purposes of complying with the Federal Fair Labor Standards Act (FLSA). The FLSA is the Federal Wage and Hour Law which governs the obligation of employers to pay overtime compensation. Certain employees are exempt from operation of this law because they

perform work that qualifies for the professional, executive or administrative exemption. As such, exempt employees are not required to receive overtime pay for hours worked beyond the limits provided by the statute. Employees who serve as sworn law enforcement officers or as firefighters may be subject to special exceptions found in the FLSA (see 29 U.S.C. § 207(k)). Please contact your department supervisor or the office of the County Clerk (Human Resource) for further clarification of your FLSA status.

6. Compensatory Time Policy

It is the policy of **Boise County** that hourly employees (except Sheriff's Office employees and Temporary Seasonal Part-Time employees), who work over the regular hours paid in each seven-day work period will accrue compensatory time. Compensatory time in excess of 40 hours per week or in excess of the work period interval established pursuant to 29 U.S.C. §207(k), shall be computed at 1½ hours for each additional hour worked. The Board of County Commissioners has set a maximum accumulation of 100 hours in a given calendar year. It is the responsibility of the elected official or department head to manage compensation time so that the employee has less than the maximum. Any higher total must be approved by the Board of Commissioners. Any compensatory time over that amount shall have prior approval from the elected official or department head, and the department manager shall notify the Board of Commissioners. Each employee, working with his/her department manager, shall schedule time off, in a sufficient amount, to lower the balance under the 100-hour limit. Scheduled time off shall be taken so as not to interrupt County operations nor affect public safety. Upon separation from employment, unused compensation will be paid out in a lump sum payment, at the current rate of pay, to the employee. No other type of payout of compensation time shall be allowed.

Boise County Sheriff's Deputies, Dispatchers and Sheriff's Reserve and Vessel Deputies, shall NOT be allowed to accumulate compensatory time. Sheriff's Deputies and other employees under the Sheriff; i.e. Dispatch, Vessel, Reserves) shall be paid the 1 ½ hrs for each additional hour worked. All overtime will be managed and approved by the Sheriff or his/her designate.

Negative compensatory time shall **never** be allowed. Compensatory time cannot be taken prior to it being earned. If a timesheet reflects the use of compensatory time that has not been earned, the time shall be deducted from vacation time. If the employee does not have sufficient vacation leave, the time shall be deducted from the employee's regular pay.

7. Reporting and Verifying Time Records

It is the responsibility of each hourly employee to properly record time that he or she has worked. Each timesheet shall bear the signature of the employee with a statement verifying its accuracy and a counter signature by a supervisor indicating that the hours claimed were actually worked. These records shall be retained as required by the Records Retention Policy of the County, consistent with state law.

Exempt employees are required to document time worked for accountability and benefit purposes. Exempt employees are required to document time taken for vacation or sick. Exempt employees do not earn compensatory time. Please contact the payroll clerk if you are unsure whether you are exempt or non-exempt/hourly.

8. Work Periods

Employment with **Boise County** is subject to the Federal Fair Labor Standards Act as previously described. Each employee is responsible for monitoring the status of hours worked in each work period. Overtime will be allowed only when authorized by the appropriate supervisor or when it is absolutely necessary in an emergency. The work week for all regular employees, who are subject to the FLSA, will begin at 12:00 AM (midnight) on Sunday of each week and concludes at 11:59 PM of the following Saturday. For regular employees, time actually worked in excess of forty hours in a work week, will be computed at one and one-half (1½) times the hours worked. This time will accrue as compensatory time on payroll records following the work period during which it was earned.

Vacation and/or sick leave use, combined with actual hours worked, must result in total hours no greater than 40.

Sworn law enforcement officers and firefighters may be subject to the special exception for their respective professions, under 29 U.S.C. § 207(k), which allows establishment of their work period up to twenty-eight (28) days. Overtime compensation at one and one-half (1½) times the hours worked is to be paid for qualifying law enforcement officers or for qualifying firefighters beyond those established by the 29 U.S.C. § 207(k) schedule.

9. Promotions and Compensation

Compensation for all employees and elected officials is established by action of the Board of County Commissioners. The annual budget of **Boise County** sets the funding available for compensation for positions in various departments. Promotions and changes in status may be recommended by officials in each of the operating departments but final authority regarding compensation rests with the Board of County Commissioners.

10. Payroll Procedures and Paydays

Employees are paid bi-weekly throughout the year. Paychecks are issued by the Payroll office of the Boise County Clerk on the Friday following the bi-weekly period ending on the previous Saturday at 11:59 p.m. Elected officials and department heads shall submit completed department employees' timesheets, with their authorized signature, to the Payroll Clerk on the Monday following the end of a bi-weekly payroll cycle. Timesheets received later in the week will not be processed for payment until the next bi-weekly payroll cycle. In instances where the Mondays following a payroll period end are recognized as County holidays, signed and approved timesheets will be due on the Tuesday following the end of the payroll period.

It is the obligation of each employee to monitor the accuracy of each paycheck received. Information shown on the employee's paycheck stub is provided for information only. The paycheck is generated by a computer program that does not have the capacity to think or to understand individual circumstances. Actual practices respecting the issuance of paychecks and allocation of employee benefits must be consistent with official policy of the County. In the event of disagreement between the computer-generated paycheck stub and official policy as interpreted by the Board of County Commissioners with the assistance of the County Clerk, the policy shall prevail.

Employees are obligated to call to the County's attention any discrepancies in payroll practices, whether to the advantage or disadvantage of the employee.

11. Compensation while Serving on Jury Duty, as a Witness in a Court Proceeding or emergency volunteerism

Leave will be granted and full pay provided to employees called to serve as a court witness in matters specifically related to County operations or called to serve on jury duty.

An employee called to serve their community, i.e. volunteer firefighting in emergency situations (as long as it exists within the boundaries of Boise County), shall be granted leave and full pay will be provided up to 40 hours. This may be extended upon request of the employee's supervisor to the Boise County Board of County Commissioners.

12. Military Leave

Unpaid leave of absence will be granted to participate in ordered and authorized field training. The County's employment policy will comply with the provisions of Idaho Code § 46-224, et seq., or its successor, as those code provisions govern leaves of absence for military service and the Uniformed Services Employment and Re-employment Rights Act of 1994, as amended (USERRA).

13. Reduction in Force

Employee assignments may be affected by reductions in force made necessary due to economic conditions or to changes in staffing and workload. The Board of County Commissioners or each elected official within his/her department, reserves the right to make any changes in work force or assignment of resources deemed to be in the organization's best interests.

14. Payroll Deductions

In accord with Idaho Code § 45-609 or its successor, no payroll deductions will be made from an employee's paycheck unless authorized in writing by the employee or as required by law.

15. Travel Expense Reimbursement

An employee on approved County business shall be reimbursed for expenses incurred in completing his/her work-related assignment in accordance with the Travel Policy as established by resolution of the Board of County Commissioners. Each employee is responsible for providing verified receipts for any expenses for which reimbursement is requested in accordance with Idaho Code § 31-1501 or its successor.

16. On-the-Job Injuries

All on-the-job injuries shall be reported to the employee's supervisor as soon as practicable to allow filing of a worker's compensation claim in the proper manner. If an employee is disabled temporarily by an on-the-job accident, he/she should be eligible for worker's compensation benefits. Return to employment will be authorized on a case-by-case basis upon consultation with the supervising official and the State Insurance Fund. Concerns associated with injured worker status may be brought before the appropriate elected official for review.

For sworn law enforcement officers injured in on-the-job accidents, the County will handle worker's compensation claims pursuant to Idaho Code, Title 72, Chapter 11.

All Boise County employees must abide by the Accident Reporting Policy for on-the-job injuries/accidents/incidents.

C. **EMPLOYEE BENEFITS**

Boise County offers a number of employee benefits for regular full-time and part-time employees. These benefit offerings are subject to change or termination at the sole discretion of the Board of County Commissioners. Each benefit offering is subject to the specific terms of its respective insurance policy and/or official resolution of the Board of County Commissioners.

1. Vacation Leave

Vacation leave is available to full-time and permanent part-time employees who have completed the equivalent of 6 months of full-time employment. Employees receiving vacation benefits may carry over from year to year, on a calendar basis, a maximum of 160 hours of accrued vacation leave. On January 1st of each calendar year, all hours accrued over 160 will be forfeited. Vacation accrues from the start of employment, as established in Appendix E, attached.

Vacation leave is to be scheduled with consent of the responsible elected official or department supervisor. Efforts will be made to accommodate the preference of the employee in scheduling vacation but first priority will be given to the orderly functioning of affected departments. Until or upon separation from employment, unused vacation leave, up to the maximum allowable accrual, shall be paid out by a lump-sum payment at the current hourly rate.

2. Sick Leave

Sick leave is a benefit provided to the employee, in the event of illness of the employee or his/her immediate family. It is to be used only in the event of an illness, injury or medical appointment of the employee or an immediate family member's illness, injury, or medical appointment, whereby no practical alternative is available for necessary care. Sick leave must be requested within at least two hours of the time when the scheduled work period is to begin unless circumstances outside the control of the employee prevent such notice. Elected officials or department supervisors asked to approve use of sick leave may, at **Boise County's** expense, request an independent review of reported illness, at any time, by a medical authority. If an employee is absent from work in which a medical procedure or surgery was performed, a medical authority's release shall be required by the employee's supervisor before the employee returns to work. Copies must be given to the Clerk's office for documentation and filing.

If an employee is absent from work, for illnesses, i.e. colds and/or flu, for more than three continuous days, it shall be at the discretion of their direct supervisor to require a medical authority's release.

Sick leave can accrue to a maximum of 480 hours. Sick leave benefit recipients will receive their normal compensation when using sick leave. All unused sick leave shall be forfeited without compensation upon separation from employment.

3. Donated Leave Time

In the event that an employee becomes unable to work for a longer duration of time due to illness or accident than that for which they have sick/vacation/comp time accrued, the employee or his/her manager may solicit donations of vacation leave

from other **Boise County** employees. All donated vacation leave shall be accumulated by the department manager/elected official and presented to the Payroll Clerk. All such requests must be submitted in writing.

In the event that an employee becomes unable to work for a longer duration of time due to an immediate family member's (spouse, child, parents, sister, brother, grandparents, grandchildren) illness or accident than that for which they have sick/vacation/comp time accrued, the employee or his/her manager may submit a written request to the **Boise County** Board of Commissioners for approval to solicit donated vacation leave from other **Boise County** employees. Only the Board of Commissioners can approve this request. If approved, the elected official/department manager shall solicit vacation leave from other **Boise County** employees and submit the donated hours in writing to the Payroll Clerk. Accumulated sick leave shall **not** be used for donated leave.

4. Holidays

Eleven (11) official holidays are provided for Full-Time Regular employees and, on the date of any holiday, shall receive compensation, at the employee's regular rate of pay, for that day, based upon an eight (8) hour work day, regardless of whether they work the holiday or not. Holidays which fall on Saturday shall be observed on the preceding Friday and holidays on Sunday shall be observed on the following Monday. The holiday schedule may be changed at any time by the Board of County Commissioners.

All Full-Time non-exempt Regular employees and all Permanent Part-Time nonexempt employees, who are required to work on an official county holiday, shall be compensated at a rate of one and a half (1 ½) times the employee's regular rate of pay for the hours worked. These required holiday hours worked, **will not** be credited against the employees accrual of overtime hours during the respective FLSA work period.

5. Bereavement Leave Per Incident

Up to five (5) days, per incident, of paid leave of absence shall be provided for regular full time employees, for a death in the immediate family or spouse's immediate family (parents, grandparents, children, grandchildren, brothers and sisters). Permanent part time employees will receive up to two days, per incident, of paid leave of absence but only if the incident falls within the employee's regular work schedule. Additional leave may be granted from accrued vacation leave/comp time or the employee may request an unpaid leave of absence.

6. Leaves of Absence

Up to thirty (30) days unpaid leave can be granted by the elected official/department manager for any justifiable purpose. Paid leave, in any amount, or unpaid leave in excess of thirty days shall require written approval of the Board of County Commissioners.

7. Family Medical Leave Act (FMLA)

a. Eligibility Requirements

To be eligible for FMLA benefits, prior to any leave request, the employee must have:

- i. worked for the employer for at least twelve (12) months; and
- ii. worked at least 1,250 hours for the employer during the previous twelve (12) months.

b. Entitlements

The Family and Medical Leave Act (FMLA) provides an entitlement of up to twelve (12) weeks of job-protected, unpaid leave during any 12-month period to eligible, covered employees for the following reasons: 1) birth and care of the eligible employee's child or placement for adoption or foster care of a child with the employee; 2) care of an immediate family member (spouse, child, parent) who has a serious health condition; or 3) care of the employee's own serious health condition. It also requires that the employee's group health benefits be maintained during the leave. The 12-month period is determined using a "rolling" 12-month period measured backward to the date an employee first uses any FMLA leave.

If all eligibility requirements are met, the employee is covered under the FMLA. He/she may request up to twelve (12) weeks of leave during which **Boise County** shall continue the employee's benefits (employer portion only) during the leave period. If the employee does not return to work for reasons other than their own continued serious health condition or that of an eligible family member, **Boise County** may recover from the employee the premium(s) that were paid for the employee's medical coverage.

Total FMLA leave for employee spouses who both work for **Boise County** is twelve (12) weeks combined if the leave is for reasons other than the employee's own personal serious illness.

Examples where employees of **Boise County** are entitled to leave under FMLA include:

1. To care for a child following a birth or placement of a child with the employee for adoption or foster care.
2. To care for a sick child, spouse or parent who has a "serious health condition."
3. If the employee him/herself is unable to perform his or her own work responsibilities because of his/her own serious health condition.

c. Concurrent Use of Accrued Leave and Worker's Compensation Required

Employees are required to use any accrued vacation and sick leave (if applicable) concurrently with any FMLA leave. If paid leave accruals are less than 12 weeks, the employee may take the remainder of FMLA leave as unpaid leave. Employees shall continue to accrue leave while utilizing their paid sick and vacation leave; however, vacation and sick leave shall cease to accrue during the unpaid portion

of their leave. If an employee is on Worker's Compensation leave, such leave shall also run concurrently with any FMLA leave.

d. Employee Obligations

Notwithstanding the Employer's rights under FMLA as set forth in Subsection F, all employees are required to give 30 days advance notice or as much time as practical when the need for FMLA leave is foreseeable. **Boise County** reserves the right to request medical certification supporting any leave, and may require second or third opinions (at **Boise County's** expense). **Boise County** may also require a doctor's fitness for duty report prior to an employee's return to work. Leave may be denied if these requirements are not met. The decision to allow an employee to return to work shall be solely **Boise County's**, in compliance with the provisions of the Family and Medical Leave Act. Should a doctor not find the employee fit to return to duty, the employee shall not be allowed to return to work.

Contact the **Boise County** Clerk to discuss your rights and obligations for continuation of any current benefits you are receiving. Employees must make arrangements for payment of their portion of their benefit costs or discontinuation of benefits shall occur.

To request FMLA leave, an employee must write a brief letter or memo to the **Boise County** Clerk and direct supervisor indicating the reason for requesting FMLA leave and the expected duration of leave. Note: Your supervisor may request that you provide certification by your physician or medical practitioner indicating the diagnosis and probable duration of your medical condition or the medical condition of your family member.

e. Intermittent Leave Requests

FMLA leave may be taken intermittently or on a reduced leave schedule to allow the employee to care for a sick family member or for an employee's own serious health condition, with prior written approval from the employee's supervisor or when "medically necessary." In the circumstance of birth or placement of a child for adoption or foster care, intermittent leave shall only be available by written approval of the elected official/department manager.

f. Employer's Rights and Obligations

Boise County has the right to determine whether the employee is or is not an "eligible employee" under the Act. Boise County has the right to place an employee on FMLA leave without the employee's consent

should **Boise County** determine that the employee meets the eligibility requirements under the Act.

Boise County shall return the employee to the same or an equivalent position after returning from FMLA leave, subject to the terms of the Family Medical Leave Act. The only exception may be for individuals who, under the provisions of the FMLA, are considered to be "key employees" whose extended absence would cause "substantial and grievous economic injury."

Boise County reserves the right to require periodic notices (determined by **Boise County**) of your or your family member's FMLA status and your intent to return to work.

g. The National Defense Authorization Act

On January 28, 2008, the FMLA was amended by the National Defense Authorization Act. This amendment provides an entitlement of up to 26 weeks of unpaid leave during a single, 12-month period to an eligible employee who must care for a covered service member who is a spouse, son, daughter, parent or next of kin of the employee and has a serious injury or illness incurred in the line of duty which renders that person unfit to perform his or her duties in the Armed Forces. **Boise County** may require that this type of leave request be supported by certification that the service member being cared for by the employee, has a serious health condition.

The National Defense Authorization Act also provides twelve (12) weeks of FMLA leave to an employee if his or her spouse, son, daughter or parent has been called to active duty with the Armed Forces. No serious medical condition is required for this type of leave. **Boise County** may require that this type of leave request is supported by certification that the service member has actually been called to active duty. **Boise County** employees shall provide prior notice when the need for this type of leave is foreseeable.

If you have any questions about your rights under FMLA, please contact the **Boise County** Clerk.

8. Change in Benefits

Boise County, through its Board of Commissioners, reserves the right to change, condition or terminate any benefits set forth in this section. No employee shall acquire any rights in any current or future status of benefits except as the law otherwise requires.

9. Benefits for Part-Time or Temporary Employees

All employees shall receive benefits as required by law to include Workers' Compensation insurance. All other benefits are to be determined by the **Boise County** Board of Commissioners, Elected Official or Department Head.

10. Insurance Coverage available to Employees

Health insurance is available to employees and family members in accordance with the terms and conditions of the County's contract for such services. The **Boise County** Payroll Clerk should be contacted to learn of sign-up and claims' procedures. Other insurance offerings including life insurance, disability insurance, vision insurance and supplemental income protection may be available at employee or County expense. The **Boise County** Payroll Clerk should be contacted for additional information. Any such offerings are subject to change at any time.

11. Retirement

The retirement plan of **Boise County** combines benefits of the Public Employees Retirement System of Idaho (PERSI) with Social Security (FICA). PERSI mandates withholding a percentage of an employee's gross salary for pension purposes, which is presently exempt from Federal and State income taxes, and **Boise County** matches this with an additional larger contribution. Contact the **Boise County** Payroll Clerk for further information.

12. Miscellaneous Benefits

In addition to the benefits listed on the previous pages, the following miscellaneous benefits are available to employees for participation in accordance with the terms of their respective policy or agreement:

- a. Deferred compensation plans handled by payroll deduction;
- b. Employee-requested deduction programs subject to **Boise County** policy;
- c. Provision of uniforms, tools, equipment allowance, etc; and
- f. Further training and higher education reimbursement or tuition refund.
- g. Flextime is a scheduling arrangement that permits variations in an employee's starting and departure times, but does not change the total number of hours worked in a week. Boise County recognizes that not all tasks are appropriate for flextime. Elected Officials/Department Heads will determine whether to allow a staff member to participate in flextime on a case by case basis in accordance with the needs, requirements, and constraints of both the department and the staff member. While on the flextime schedule, hourly employees may have to supplement their holiday pay with vacation or comp time to receive their regular biweekly pay.

Any such offerings are subject to change at the **Boise County** Board of Commissioners sole discretion at any time.

13. Transfer of Benefits with Employee Transfer

Accrued benefits for each employee remain in effect, for that employee, if the employee transfers from one department to another within **Boise County**. Any such transfer shall not result in a reduction of benefit offerings separate and apart from those realized by employees similarly situated.

V. EMPLOYEE PERFORMANCE AND DISCIPLINE

A. PURPOSE OF DISCIPLINE/PERFORMANCE POLICY

The purpose underlying the discipline/performance policy of **Boise County** is to establish a consistent procedure for maintaining suitable behavior and a productive work environment in the workplace. These procedures are directory in nature and minor variations of the processes, set forth herein, shall not affect the validity of any actions taken pursuant to this policy.

B. DISCIPLINARY/PERFORMANCE SYSTEM FRAMEWORK

Boise County adopts the following framework for actions to be taken in the event that any employee subject to this policy violates employment policies or fails to perform adequately. Progressive steps may be implemented in order to encourage improved performance or attitude, but are not required. **Boise County** reserves the right to take any of the prescribed steps, in any order, in the event that a supervisor deems a policy violation or action of the employee to be serious enough to warrant a certain step.

C. DISCIPLINARY ACTIONS AVAILABLE

The following actions are among the disciplinary steps that may be taken by the supervisor in response to personnel policy violations:

1. Oral warning
2. Written warning or reprimand
3. Suspension, with pay pending further review, not to exceed 14 days.
4. Probation
5. Demotion
6. Dismissal

Supervisors are not required to follow these steps in any given order i.e. a written warning can be given without prior oral warning, etc. All supervisors shall consult with the Prosecuting Attorney or designated Legal Council during any disciplinary process.

D. *RESIGNATION POLICY*

Voluntary resignations will generally be made in writing. If an employee wants his/her formal records to indicate "voluntary resignation," he/she must do so in writing to the supervisor, department head or elected official. If unavoidable, oral resignations will be documented by the supervisor, department head or elected official. Evidence of acceptance of a resignation should be provided to the ex-employee, if possible. Employees who have an unexcused or unauthorized absence may be considered to have abandoned their position and therefore resigned.

E. *OPPORTUNITY TO BE HEARD CONCERNING PROPOSED DISCIPLINE OR FAILURE TO PERFORM*

The Personnel Policy of **Boise County** establishes the right of regular employees (but not independent contractors, introductory employees, temporary employees, seasonal employees or at-will employees) to be heard in the event of contemplated demotion with an attendant change in pay, suspension without pay or dismissal from employment. The opportunity to be heard is designed to be informal, allowing the employee to discuss with his/her supervisor or elected official (at the employer's discretion) the facts surrounding the proposed disciplinary action or performance-based personnel action and to provide any additional documentation that the employee believes would be helpful in explaining his/her actions, attitude or behavior.

The steps below should be followed at the direction of the supervisor, department manager or elected official ("employer"):

1. The employee shall be provided with a written notice of the reasons for the proposed personnel action that would affect him/her, along with an outline of the County's supporting information and the proposed personnel action.
2. The written notice shall include a date, time and place for the employee to be heard to discuss the proposed personnel action.
3. The notice should state whether the employee is being placed on suspension pending the outcome of the opportunity to be heard and whether any such suspension will be with or without pay.
4. If the employee is unable to participate in the scheduled opportunity to be heard, she/he may request an alternate date and time. Any approved alternate date, which falls after the scheduled date and time, will not extend any continuing pay allowance, if one has been provided by the County.
5. The employee must notify his/her employer within two (2) business days of the date of the notice that she/he desires to be heard, as scheduled, in order to discuss the reasons for the proposed personnel action. If notice of acceptance of the opportunity to be heard is not received within two business days, the opportunity to be heard may be vacated and deemed waived.
6. The opportunity to be heard, if chosen, shall last no longer than one hour, unless otherwise approved by the employer, and shall be limited to discussion of the issues contained in the notice and to any allegations by the employee of unlawful discrimination in employment.
7. The employee shall not be prohibited from having an attorney assist him/her at the employee's own expense.
8. The employee shall be allowed to present oral testimony from his/her witnesses (or provide written statements) about the issues contained in the notice. All witnesses, including any employee of Boise County who provides testimony or response, shall be sworn under oath by the Prosecuting Attorney or other officer of the court.
9. The employer may ask the employee's witness' questions for clarification purposes should that be necessary during the discussion.
10. The employee shall not have the opportunity to question the supervisor, unless the supervisor introduces a new basis for the personnel action during the discussion.
11. The Idaho Rules of Evidence shall **not** apply to the opportunity to be heard.

12. Unlawful discrimination allegations **must** be raised during this process or they will be deemed waived by the employee.
13. There will be a record maintained, including an electronic/tape recording of the discussion that constitutes the opportunity to be heard.
14. The employer shall render a written decision after considering the employee's responses, if any, to the allegations set out in the notice.

FAILURE TO PARTICIPATE IN THIS OPPORTUNITY TO BE HEARD, ALLOWED HEREIN, SHALL CONSTITUTE A FAILURE TO EXHAUST ADMINISTRATIVE REMEDIES UNDER THIS POLICY.

F. ***OPPORTUNITY TO BE HEARD — ASSERTIONS OF UNLAWFUL DISCRIMINATION AND "NAME-CLEARING HEARING"***

This policy establishes an opportunity to be heard in the event of a discharge or demotion, **and** 1) the employee asserts that the discharge or demotion is actually the consequence of alleged, unlawful discrimination by **Boise County**; or 2) if the allegation involves dishonesty, immorality or criminal misconduct that would entitle the employee to a "name-clearing hearing." *Cox v. Roskelley*, 359 F.3d 1105 (9th Cir. 2004).

Unlawful discrimination addresses actions that are alleged to involve decisions based upon age, sex, sexual orientation, race, religion, national origin or disability that are not bona fide occupational qualifications. Issues of job performance or employee attitude are not the proper subject of this opportunity to be heard. **Boise County** does not condone discrimination on the basis of the foregoing, unlawful categories. **FAILURE TO SEEK AN OPPORTUNITY TO BE HEARD PURSUANT TO THIS POLICY SHALL CONSTITUTE A FAILURE TO EXHAUST REMEDIES UNDER THIS POLICY.** Any employee entitled to an opportunity to be heard as a result of a disciplinary action that concerns job performance or behavior **must** raise allegations of unlawful discrimination or the need for a "name-clearing hearing" in the course of that disciplinary process, with such issues to be addressed as provided by this section of the Policy.

When the employee asserts an allegation of unlawful discrimination or the need for a "name-clearing hearing," the elements of procedure to be followed and undertaken at the direction of the **Boise County** Board of Commissioners or its designated official, unless waived by the employee, are as follows:

1. The employee may, within fourteen (14) days of his/her termination or demotion, submit a **written** allegation of unlawful discrimination or a request for a "name-clearing hearing," stating with particularity the basis for the requested opportunity to be heard. Complaints filed untimely or failing to state a particular, legally recognized basis for this opportunity shall **not** be heard.

2. The opportunity to be heard, with regard to the employee's allegations, shall be provided as promptly as possible after receipt of a properly documented request.
3. An employee alleging unlawful discrimination or entitlement to a "name-clearing hearing" shall be allowed one (1) hour, unless otherwise approved by the Board of Commissioners or official, to meet and discuss the allegations with the **Boise County** Board of Commissioners or its designated official.
4. There shall be a record maintained, including an electronic/ tape recording, of the discussion that constitutes the opportunity to be heard.
5. The employee's supervisor shall provide a brief, written statement in response to the particular allegation of discrimination or "name-clearing" request. The Board of Commissioners may request that the employee's supervisor participate in the discussion.
6. The employee shall not be prohibited from having an attorney assist him/her at the employee's own expense.
7. The employee shall be allowed to present oral testimony (or provide written statements) concerning evidence upon which the alleged discrimination or "name-clearing" is based.
8. The Board of Commissioners may ask the employee's witnesses questions for clarification purposes should that be necessary during the discussion process.
9. The employee shall **not** have the opportunity to question any participants during this process but may submit written questions for the Board to consider.
10. The Idaho Rules of Evidence do **not** apply to this opportunity to be heard.

After the conclusion of the discussion, the **Boise County** Board of Commissioners shall consider the information submitted and such other information, as might be in the County's records, to arrive at a decision concerning the employee's allegations. Said decision shall set forth the reasons for the Board of Commissioner's determination in writing. If, as a result of this opportunity to be heard, the Board finds fault with the basis for the County's action, remedial action shall be prescribed, including restoration of employment and payment of back pay.

G. EMPLOYEE GRIEVANCE PROCEDURE

The County shall promptly consider employee grievances relating to their employment. This process does not apply to disciplinary actions. Such disciplinary actions must follow Subsection E above. The grievance procedure may be utilized for grievances to address employee complaints.

Steps:

1. An aggrieved employee shall present a clear and concise written grievance to their supervisor (either Department Head or Elected Official) within five (5) working days from its occurrence or first knowledge thereof. The supervisor shall give his or her written reply within five (5) working days of presentation of the grievance.
2. If an employee does not feel that the grievance was resolved by the supervisor, the aggrieved employee shall present the grievance to the Human Resources Officer (i.e. the County Clerk) within five (5) working days from receipt of written response. The Human Resources Officer shall immediately forward the grievance to the supervisor, Civil Deputy Prosecutor and Board of Commissioners. The Board shall provide a written response within fifteen (15) days of receipt. The Board may consult with the aggrieved employee and supervisor as they feel necessary.
3. Written response from the Board of Commissioners is the final decision.

This process is designed to provide resolution in a prompt and efficient manner. Failure to follow this grievance procedure, including "leap frogging" supervisors and going directly to the Board of Commissioners may result in disciplinary action. Employees may refer to **Appendix B** if they are unsure who his or her supervisor is.

VII. DISCRIMINATORY WORKPLACE HARASSMENT POLICY AND COMPLAINT PROCEDURE

A. PURPOSE

The purpose of the Harassment Policy is to clearly establish **Boise County's** commitment to provide a work environment free from unlawful harassment, to define discriminatory harassment and to set forth the procedures for investigating and resolving internal complaints of harassment. Because of the importance of a workplace free from unlawful harassment, this policy should be reviewed with each employee on a regular basis.

It is important that all employees treat all other employees and members of the public with decency and respect. It is the responsibility of each and every employee, supervisor, department head and elected official to prevent inappropriate behavior in the workplace. Inappropriate behavior which impacts the workplace, or has the potential to impact the workplace, will **not** be tolerated.

This Policy applies to all terms and conditions of employment, including but not limited to; hiring, placement, job retention, promotion, disciplinary action, layoff, reinstatement, transfer, leave of absence, compensation and training.

B. **POLICY**

Harassment of an applicant for employment, a member of the public or an employee by any employee of **Boise County** on the basis of race, color, religion, national origin, sex, sexual orientation, age or disability is in violation of State and Federal law and will **not** be tolerated by **Boise County**.

Employees found to be participating in any form of employment-related, unlawful harassment or retaliating against another employee for filing a complaint or cooperating with an investigation shall be subject to disciplinary action up to and including termination of employment.

C. **RESPONSIBILITIES**

The County: It is the responsibility of **Boise County** to develop this policy, provide training on this policy, keep it up-to-date, and to ensure that any violation of this policy, brought to its attention, is dealt with as required by law and according to this Policy.

The County should designate an official who will be responsible for following the Complaint Procedures as set out in this Policy. This official will be referred to as the "Designated Official."

Supervisors: It is the responsibility of supervisors to enforce the policy, to train new employees on the policy to make a regular review with all employees to ensure they know the policy, and to regularly check the workplace to make sure the policy is being followed.

If a supervisor observes that unlawful discrimination, harassment or retaliation is occurring, he/she should take immediate action to address the problem. Such action should include, but not be limited to, speaking directly with the affected person, developing a specific account of the actions, omissions or occurrences that are deemed discriminatory, consulting with the supervisor, elected official or department head, and taking corrective or disciplinary action as appropriate. If the alleged discrimination, harassment or retaliation is not within the supervisor's area of responsibility or oversight, he/she should notify the department head or other appropriate management employee, who should then take prompt steps to address the allegation.

If unlawful harassment is reported or alleged, further investigation/action must be taken. No complaining party shall be allowed to retract an allegation of unlawful harassment without proving that it was made erroneously. If a supervisor receives information that discrimination, unlawful harassment or retaliation might be occurring, he/she should follow the Complaint Procedure as set out in this Policy below.

Employees: It is the responsibility of each and every employee to understand this Policy and to follow it. All **Boise County** employees share the responsibility of understanding and preventing unlawful discrimination and harassment. But, ultimately, no satisfactory investigation or resolution of complaints can occur without the initiative and continued cooperation of the affected person. Individuals who believe they have been discriminated against or unlawfully harassed have the primary obligation of informing their supervisor, department head, elected official, County Clerk or legal counsel for **Boise County** of the act of discrimination, unlawful harassment or retaliation, recounting specific actions or occurrences whenever possible. It is imperative that every employee treat every other employee and members of the public with decency and respect so as to facilitate a sound professional work environment.

D. **DEFINITIONS**

For purposes of clarification, unlawful harassment includes but is not limited to, the following behaviors:

1. **Verbal Harassment** – Epithets, derogatory comments, slurs, propositioning or otherwise offensive words or comments on the basis of race, color, religion, national origin, sex, sexual orientation, age and disability whether made in general, directed to an individual or directed to a group of people regardless of whether the behavior was intended to harass. This includes, but is not limited to, inappropriate, sexually-oriented comments including dress or physical features, sexual rumors, code words and race-oriented stories, as well as jokes of a sexual or discriminatory nature or “kidding” which is oriented towards a prohibited form of harassment.
2. **Physical Harassment** – Assault, impeding or blocking movement, leering or the physical interference with normal work, privacy or movement when directed at an individual on the basis of race, color, religion, national origin, sex, sexual orientation, age and disability. This includes pinching, patting, grabbing, inappropriate behavior in or near bathrooms, sleeping facilities and eating areas or making explicit or implied threats or promises in return for submission to physical acts.
3. **Visual Forms of Harassment** – Derogatory, prejudicial, stereotypical or otherwise offensive posters, photographs, cartoons, e-mails, notes, bulletins, drawings or pictures on the basis of race, color, religion, national origin, sex, sexual orientation, age and disability. This applies to both posted material and material maintained in or on **Boise County** equipment or personal property in the workplace.

4. **Sexual Harassment** – Any act which is sexual in nature and is made explicitly or implicitly a term or condition of employment, is used as the basis of an employment decision, unreasonably interferes with an individual's work performance or creates an intimidating, hostile or offensive work environment.

There are basically two types of sexual harassment:

- i) "**Quid pro quo**" harassment, where submission to unlawful harassment is used as the basis for employment decisions.

Employee benefits such as raises, promotions, better working hours, job retention, etc., are directly linked to compliance with sexual advances. Therefore, only someone in a supervisory capacity (with the authority to grant such benefits) can engage in quid pro quo harassment. Example: A supervisor promising an employee a raise if she goes on a date with him; a manager telling an employee she will fire him if he does not have sex with her.

- ii) "**Hostile work environment**," where the unlawful harassment creates an offensive and unpleasant working environment.

Hostile work environment can be created by anyone in the work environment, whether it is supervisors, other employees or the public. Hostile environment harassment consists of verbiage of a sexual nature, unwelcome sexual materials or even unwelcomed physical contact as a regular part of the work environment. Cartoons or posters of a sexual nature, vulgar or lewd comments or jokes or unwanted touching or fondling all fall into this category.

E. **COMPLAINT PROCEDURE**

The following complaint procedure will be followed in order to address a complaint regarding harassment, discrimination or retaliation:

1. A person who believes they have been unlawfully harassed, discriminated or retaliated against should report it to their supervisor, department head, elected official, County Clerk, or legal counsel for **Boise County**. If a supervisor becomes aware that unlawful harassment or discrimination is occurring in any County department as a result of an employee coming forward, the supervisor should immediately report it to a designated official pursuant to this Policy. Once a complaint of unlawful harassment, discrimination or retaliation has been made, the complaint cannot be withdrawn by the complainant without a determination that it was made erroneously.

2. Promptly upon receiving the complaint, the Designated Official should initiate the investigation to determine whether there is a reasonable basis for believing that an alleged violation of this Policy occurred.
3. Upon receiving the complaint, or being advised by a supervisor that violation of this policy may be occurring, the Designated Official should review the complaint with the attorney for the County, the County Clerk and/or the **Boise County** Board of Commissioners.
4. The Designated Official, in conjunction with legal counsel for the County, shall engage an appropriate person to investigate the complaint. The investigator shall be a neutral party.
5. The investigator shall interview the complainant, the respondent and any relevant witnesses to determine whether the conduct occurred.
6. As soon as practical, the investigator will conclude the investigation and submit a report of his or her findings to the Designated Official, who then shall route it as appropriate.
7. If it is determined that unlawful harassment or discrimination in violation of **Boise County's** policy has occurred, the appropriate official will recommend the appropriate course of action to be taken by the County. The appropriate action will depend on the following factors:
 - (i) The severity, frequency and pervasiveness of the conduct;
 - (ii) Prior complaints made by the complainant;
 - (iii) Prior complaints made against the respondent; and
 - (iv) The quality of the evidence (firsthand knowledge, credible corroboration etc.).
8. If the investigation is inconclusive or it is determined that there has been no unlawful harassment or discrimination in violation of this Policy but some potentially problematic conduct is revealed, corrective action should be taken.
9. Promptly after the investigation is concluded, the supervisor(s) shall meet with the complainant and the respondent separately in order to notify them in person of the findings of the investigation.
10. The complainant and the respondent may submit statements to the supervisor(s) challenging the factual basis of the findings. Any such statement must be submitted no later than five (5) working days after the meeting with the supervisor(s) in which the findings of the investigation is discussed.

11. Promptly after the supervisor(s) has met with both parties and reviewed the documentation, he or she will decide, after consultation with legal counsel, what action, if any, should be taken.

F. *DISCIPLINARY ACTION*

If unlawful harassment is determined to have occurred, the supervisor should take prompt and effective remedial action against the harasser. The action should be commensurate with the severity of the offense, up to and including termination of employment.

G. *RETALIATION*

Retaliation, in any manner, against a person for filing a harassment charge or initiating a harassment complaint, testifying in an investigation, providing information, or assisting in an investigation, is expressly prohibited and subject to disciplinary action **up to and including termination**. The supervisor, department head or elected official should take reasonable steps to protect the victim and other potential victims from further harassment or related consequences.

H. *CONFIDENTIALITY*

Confidentiality will be maintained to the fullest extent possible in accordance with applicable federal, state and local law. However, a complete and thorough investigation of the allegations will require the investigator to inform witnesses of certain aspects of the complaint in order to obtain an accurate account of the actions of the parties involved.

I. *FALSE COMPLAINTS*

Any complaint made by an employee of the County regarding employment-based harassment which is conclusively proven to be false, shall result in disciplinary action. This discipline may include termination of employment. This section is not intended to discourage employees from making complaints regarding employment-based harassment. However, false complaints adversely impact the workplace and the career of the accused, even when disproved, and will not be tolerated.

J. *DISTRIBUTION*

This policy shall be distributed to all employees, supervisors, department managers and elected officials of the County. Any questions, concerns or comments related to this policy should be directed to the department head, County Clerk or elected official.

The **Boise County** Board of Commissioners hereby appoints the position of County Clerk as the Designated Official for the purposes of this Policy.

VIII. SEPARATION FROM EMPLOYMENT

A. REDUCTIONS IN FORCE (RIF)

When financial circumstances or changes of workload require, **Boise County** reserves the right to reduce forces in such manner as it deems necessary to maintain the effective functioning of **Boise County** services. Decisions about the functions or positions to be reduced are not subject to the hearing procedure established by **Boise County**.

Reorganization initiated to make more efficient use of resources or to accommodate budgetary needs, shall not be subject to the hearing procedure established by **Boise County**.

B. RETIREMENT POLICY

The retirement policy of **Boise County** shall comply in all respects with federal and state requirements respecting mandatory retirement and the obligations established by the Public Employee's Retirement System of Idaho (PERSI).

C. COBRA BENEFITS

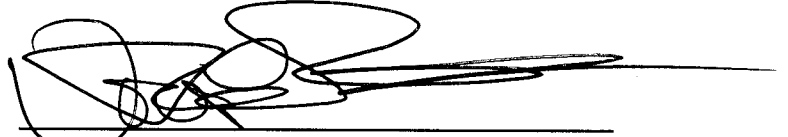

Employees of **Boise County** who currently receive medical benefits and who separate their employment, may be eligible to continue those medical benefits at the employee's sole cost and expense for a limited time in accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). If you have any questions regarding your right to continue your health coverage after separating from **Boise County**, please contact the County Clerk.

D. EXIT INTERVIEW

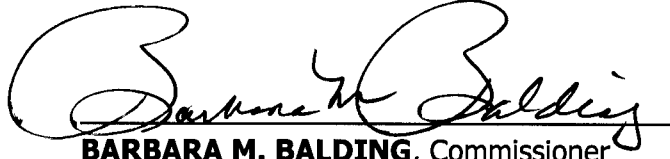

Each employee, who terminates from employment with **Boise County**, is encouraged to participate in an exit interview with the designated representative of the County or in the event of involuntary termination, with the County Clerk. In this interview, the employer shall notify the employee when certain benefits will terminate, when final pay will be issued and review the process to receive COBRA benefits. The employee will be invited to inform the interviewer about his/her impressions of employment in such interview. An employee exit form may be completed at this point and will be retained in the employee's personnel file.

This policy has been approved and adopted this 28th day of April, 2014.
